JANUARY - MARCH 2021

A Message from Jenny...

Jennifer Braun & Family

Harvest Club Director

Happy 2021 - "A Positive Day Begins with a Positive Mindset."

I hope you all had a nice holiday. How are you enjoying the snow? My family sure loves it and so does my dog North. He gets really worn out chasing after my kids on the sled hill and running to catch them on the snowmobile. It's the first year that we've had to avoid the yellow snow, if you know what I mean.

How have you been doing with your daily blessings challenge? I have been writing down something that makes me smile each day and collecting them in a jar. It really helps me appreciate the small things. After I have written it down and think back to the days before, it brings a smile to my face and my heart feels fuller. I hope it has done the same for all of you. If you haven't started your jar yet, start now!

I have been thinking a lot about safe event ideas for us to do and I'd like to try something new. It's not a trip, but it will get you out of the house and I'll be able to see you! We're excited to announce that we're going to host three drive-thru events. For these exclusive Harvest Club events, we'll have members drive to a specific Community State Bank location to pick up a special treat in the drive-up area. I'll be there to greet you, masked up of course, and will hand you your gift.

The event is free and will run from 11 AM until 2 PM. We ask that you simply remain in your vehicle, wear a mask and line up at the assigned drive-thru. More details on locations and dates can be found on the back page.

In order to help me direct you to the correct lane, I kindly ask you to place a heart on your dashboard for the February event, wear green for the March event and place a flower on the dash for April. If you don't have these items, please place your newsletter on your dashboard. No need to RSVP. We'll have enough for the first 100 Harvest Club visitors.

Don't forget those recipes! I received a few more submissions after last month's newsletter, but I could still use more. Thank you to those of you that have sent them in. I can't wait to make some of these tasty family recipes. I'm not sure if you're like me, but I could really use some different selections of meals and desserts.

In other CSB news, I wanted to give you a little update on some of the things happening behind the scenes at our offices. We recently finished our Gift2Giving Campaign. Each CSB employee was given \$100 to donate back into the community. With staff creativity, collaboration and grant dollars, CSB donated over \$27,000 into the communities of Southeast Wisconsin. Over 18 organizations benefited from this year's campaign. You can read all of our donation stories at [CSB.bank/gift2giving](https://www.csb.bank/gift2giving).

I'm really excited it's a new year and I'm hopeful that with this recent vaccine we'll all be together again soon. If you ever need an ear to listen or a pen pal, I'm here!

You can reach me at my direct line (262) 864-2361 or you can send me a letter at 1500 Main Street, Union Grove, WI 53182. You can also email me at JBraun@csb.bank. I'm happy to be a friend!

Keep your mind focused on the future and until then, stay healthy my friends!

Best Wishes,

Jennifer Braun
