APRIL - JULY 2021

A Message from Jenny...

Jennifer Braun
Harvest Club Director

Spring has Arrived!
Spring is finally here! I absolutely love waking up to the birds chirping, brisk morning walks and the thought of spending more time in my backyard. We've had a nice taste of warmer weather the last few weeks, but I'm sure Mother Nature has something up her sleeve.

My kids are finally all back in school full-time. It has been over a year since all three have been in school together. A few of them were less than thrilled to be going back, but I couldn't stop smiling.

Even with businesses finally beginning to open, I'm going to play it safe and not plan any bus trips until fall. By autumn, we'll hopefully have a better idea of how we can travel safely and be together once again. The drive-thru events have been going well. I love putting together the monthly treats and items. The best part is being able to see all of you again! Not going to lie, I talked so much at the Mt. Pleasant event I lost my voice for three days. My kids were grateful I couldn't yell at them for anything. They even said, "Mom the house is so quiet."

We'll continue our drive-thru events through spring. One will be held at our Paddock Lake location and the other at our Lake Geneva office. More details can be found on the back page. Please note that we'll host these next events for 2 hours instead of 3. Remember, even if you do not live in that area you're still welcome to come. The events are open to all Harvest Club Members.

When I say "July", what's the first Harvest Club event that comes to your mind? I hope it's the Racine County Fair! I can already smell the roasted corn. As of today, the Racine County Fair is anticipating to open for the 2021 season! I'm hopeful that by July we can host our annual polka event at the fair. Registration details for your free ticket to the event, can be found on the back page. If any cancellations occur, we'll notify you via phone. Keep your fingers crossed that we'll be together again soon!

Since our last newsletter, CSB reopened our lobbies! It's great to see the hustle and bustle of customers in our offices again. CSB also reopened Shepherds Community Café (located at Union Grove office) on Thursdays from 9 AM until noon. In order to help reopen, I've hopped on board as a volunteer Barista. I'm not in the café every Thursday, but I'd sure love for you to stop in to say "hello"!

I really hope you're continuing to find joy in the small things. Remember only you have the power to make today a great day.

"Spring will come and so will happiness. Hold on. Life will get warmer." - Anita Krizzan

See You Soon,
