A Message from Jenny...

Harvest Club Director

Fall colors, cozy sweaters, football, and cool evenings... There is nothing better than fall and the smell of chili on the stove! I know I say it every fall, but it is my favorite time of year! I have a high school student this year! How is it that my kids are getting so old and I'm am getting younger? My son Jack is playing freshman football and is working to get his driving temps. Some days I wish I could pause time, so I could enjoy all of these moments a bit longer. My kids are growing up so fast, and two of the three have officially passed me in height! I know what you are all thinking... It doesn't take much.

This fall we have a great September trip planned. We are going to head to Lake Geneva, stop at Pearce's Farm Stand, sample lots of homemade treats, and eat an apple cider donut. We will then head to the water on the Grand Belle, listen to some Frank Sinatra and Frankie Valli, while also having a nice lunch on the boat. I heard we even get pie for dessert! Once the boat has docked we will head over for a little wine and beer tasting at The Bottle Shop. We have plenty of room under the bus for anyone who might want to bring some goodies back home. My fingers will be crossed for a nice beautiful fall day, but as I always say, the weather you can't control.

In October we will board a bus for a few nights stay in Dubuque, Iowa. We'll have some free time to shop in Galena, Illinois and try our luck at the casino! We'll also have lots of tasty foods, learn about the town on a few guided tours, and because its over Halloween we may even do something spooky. Sign up now and get \$25 off for early registration!

Last November I did my first Mystery Trip, and back by popular demand, I will be doing another. November is the lucky month again. It was really hard to plan this time, because our last Mystery trip was so great! But I'm going to give it a try! I will give you a few clues... During this trip you will go bananas over the day! Even though they are fake they will make you dream of all things real! Any guesses? Sign up and you'll find out!

A Message from Jenny Continued...

I have a Gratitude Scavenger Hunt for you to try before Thanksgiving! 1.) Find something that makes you happy. 2.) Make someone smile. 3.) Find one thing that you love to smell. 4.) Stare at something beautiful. 5.) Explore nature. 6.) Make a gift for someone. This is just a short list to find what you are grateful for! I am thankful for so many things and I ask you all to reflect on the past year and appreciate the many blessings in your life! I'm thankful for you!

December brings us into the Christmas spirit with a trip to the Fireside Theatre! This year's play will be White Christmas. If you haven't been to the Fireside before it has the best gift shops for some Christmas shopping! The food is always delicious and the homemade breads are so good!

Hopefully I will get the chance to travel with all of you, but if I don't, remember to live each day to it's fullest. I hope you all have a spooky Halloween, a grateful Thanksgiving, a Merry Christmas, and a prosperous New Year!

See you soon,

CSB NEWS: CSB Breaks Ground on New Waterford Office

Community State Bank (CSB) is pleased to announce the groundbreaking of our new Waterford office located inside of the Waterford Lofts located at 506 E. Main Street. The 3000 sq. ft. office space, currently under construction, is a part of a 28,200 sq. ft. development project led by the Village of Waterford and Selzer-Ornst Construction Company LLC.

The development is also part of the Community Development Investment (CDI) Grant Program offered through the Wisconsin Economic Development Corporation and will include luxury condominiums, as well as two large commercial spaces.

"Waterford has been my home for the past decade and it's a great community," said Bank President and CEO, Scott Huedepohl.

"We're honored to partner with the Village of Waterford to provide local businesses and residents with an updated space for their financial needs, as well as community and collaboration spaces."

The CSB Waterford Banking Team, led by Market President, Nicholas Borth and Retail Manager, Teri Eulgen, will focus on developing commercial and consumer relationships including: business development, commercial lending, commercial banking, consumer lending, consumer banking, deposit growth, and mortgage lending.

"Waterford is prospering with new development and local business owners who genuinely care about this community," said Borth. "They deserve a great banking experience and we're very excited to have the opportunity to build an office geared towards service, technology, and above all, community."

The office, which was designed with an open floor plan and ample collaboration space, will include a full service teller line, drive-thru with interactive teller machines, smart ATM, night deposit box and safe deposit boxes. A meeting room will also be available to the community free of charge, by appointment. The new location is set to open later in 2023.
