A Message from Jenny...

Jennifer Braun
Harvest Club Director

Hello all and Happy 2025!

I hope your New Year's resolution was to travel, or maybe it was just to be more involved in your community. We would love it if you could travel with us or join us for Cards and Coffee monthly. I have a feeling this year is going to be a fun one! I can't wait to try a few different theaters and visit some places I've never been. Let's discover new areas together and check off a bucket list item or two. In 2025, we'll be taking

short trips, long trips, day trips, food trips—anything that involves traveling and new experiences, we're doing it!

Last year, we had many great adventures that led us to make new friends, explore new areas, and learn new things. We started off 2024 by going to Drury Lane to see Fiddler on the Roof. It was a great day filled with chocolates, a delicious lunch, and an amazing performance. The next month, we saw Cirque du Soleil: Crystal at the Fiserv Forum, and it didn't disappoint. In April, we traveled to Joliet, IL, for a Murder Mystery lunch, and I can say we have quite a few actors in our group. Laughter filled the mansion. Our next trip was to Nunsense at the Fireside, where there was always good food and laughter that makes your heart happy.

In June, we conquered Green Bay in one long day. We visited Lambeau Field, got to come out of the tunnel that our very own Packers come out of before a game, and explored the rooftop to see the whole stadium. We learned so many great facts about past and present players. We also filled the bottom of the bus with Seroogy's Chocolates, visited the new Mulva Cultural Center, and made our last stop at the National Railroad Museum.

Continued inside, page 2.

A Message from Jenny Continued...

We ended the day by grabbing our hobo bandana dinner for the ride home. It was a quiet ride back after all those steps we took during the day.

In July, we polka'd the afternoon away at the Racine County Fair, and the weather was definitely on our side. Our next day trip took us to Milwaukee, where we "rode through time" at the Harley-Davidson Museum, had a step-on guide tell us all about the city, enjoyed a few tasty beers, and ended with custard from Leon's.

In September, we embarked on our 6-day trip to Clarksville, Nashville, and Louisville. In Clarksville, we listened to a Bluegrass band, had a biscuit competition, toured Johnny Cash's Storyteller Farm, and heard songs from Mark Alan Cash's tribute to his uncle. Our next stop was Nashville, where we went to the Grand Ole Opry, toured the town with so many great stops, and even visited the Bluebird Café, where many famous singers and songwriters got their start. We also toured the Country Music Hall of Fame, and discovered that our tour guide, who had been with us all day, was actually a singer who got her start in Nashville. She was wonderful!

Our last stop on the getaway was Louisville. On our way there, we stopped at the National Corvette Museum and Buffalo Trace Distillery, where we all got a little tipsy on bourbon—but it made the ride go by really fast! On our last full day, we toured Louisville and went to Churchill Downs for the horse races. That day was so interesting—some of us even won a few dollars! So many miles, yet it didn't even feel that long.

In October, we visited Holy Hill and had an amazing meal at The Fox and Hounds. The fall colors were breathtaking. A few weeks later, we went to the Schauer Arts Center in Hartford to see one of the best fiddlers in Branson during Country Christmas. Our last trip of the year was bittersweet as we had to say farewell to Lumpree, our favorite day-trip bus driver. He finished off our trip to the Fireside, where we saw Miracle on 34th Street. He will be missed so much, but we wish him the best in his retirement.

That wraps up 2024. Hopefully, this year will be just as exciting as the last. We have a planned painting event in Union Grove for February. This will be held downtown at Seven Seas, with two shifts of painters. Please reserve your spot on the registration form. In March, we will travel to the Lincolnshire Marriott

Theater in Illinois to see Joseph and the Amazing Technicolor Dreamcoat. April is our Mystery Trip, so that's hush-hush for now! In May, we will hold our

Harvest Club Appreciation Luncheon at Tin Can, complete with entertainment and bingo for our members. Come for lunch and enjoy a good time with fellow members. Our May trip will be a two-night getaway to Shipshewana, Indiana. And don't forget our monthly Cards & Coffee gatherings—we play lots of fun games and enjoy wonderful snacks. We definitely eat well on our trips, and they're always filled with surprises—even if they weren't planned!

...Never regret a day in your life. Good days give you happiness, bad days give you experiences, worst days give you lessons, and the best days give you memories.

Thanks,

Jenny Braun
