A Message from Jenny...

Jennifer Braun
Harvest Club Director

Hello Everyone,
Well... we made it through another Wisconsin winter! Some years seem to stretch on a little longer than others, and this one certainly kept us guessing. Just when we thought spring had arrived, winter would remind us it wasn't quite ready to let go.

Now, though, there's a fresh feeling in the air. The days are growing longer, the birds are singing bright and early, and that warm sunshine feels especially welcome. After a long winter, you appreciate those simple pleasures even more, like sitting outside a little later in the evening, opening the windows, and letting the breeze drift through.

Spring may have brought its share of rain, but it's also brought beautiful blooms and that wonderful scent of everything coming back to life. Before long, we will be enjoying the smell of the grill in the air and gatherings with family and friends to make more summer memories.

We have a wonderful lineup of trips planned in the months ahead. We'll kick off June with our Mystery Michigan getaway, always full of fun surprises! In July, we'll be tapping our toes and maybe even dancing a little polka at the County Fair.

August brings a special outing as we board the bus and head to Starved Rock, Illinois, for a tribute to Kenny Rogers, along with a relaxing trolley ride for sightseeing.

...Continued

Then in September, it's "All Aboard!" as we enjoy an afternoon on the East Troy Railroad, a perfect way to view the early days of fall. Also, if you are still interested in traveling with the Harvest Club to Ireland, act fast. The seats are filling up.

We're looking forward to a season full of sunshine, laughter, and time well spent together. Here's to great trips and even greater memories ahead!
