Bring a friend or relative!

Ghosts and goblins might give us a quick scare this October, but they aren't real. Unfortunately, a very real kind of phantom is lurking in Wisconsin—one that doesn't want your candy but wants your hard-earned savings instead. On Wednesday, October 28th, join the Wisconsin Bureau of Consumer Protection to unmask the horrifying scams targeting seniors. You will learn how to spot the ghostly tricks designed to vanish your money, recognize the warning signs before a financial phantom strikes, and discover the exact steps to take if you or a loved one falls victim. As Wisconsin's lead defense against deceptive practices, the Bureau of Consumer Protection will provide free, helpful factsheets to keep you safe.

A Message from Jenny...

Jennifer Braun
Harvest Club Director

Well, friends, it looks like Mother Nature is going to have a tough time trading in her shorts and sandals for sweaters, boots, and maybe a very fashionable hat. You never know, though. We have had some extreme summer weather. No rain, then too much rain. I would love a true fall!

Here in Wisconsin, we know that fall and winter are more than just seasons. They're an invitation to enjoy a whole new kind of adventure.

Fall brings us spectacular colors, crisp mornings, cozy afternoons, scenic drives, apple orchards, pumpkin patches, football, harvest festivals, and plenty of reasons to get together and make some wonderful memories. And let's not forget those beautiful Wisconsin sunsets, nature's way of reminding us that sometimes the best things in life are absolutely free!

Then comes winter, with snowflakes, twinkling lights, holiday cheer, and the occasional, "Is it really this cold?" moment! But a little Wisconsin chill won't stop this group. We'll simply bundle up, warm up, laugh a little louder, and keep enjoying all the fun our beautiful state has to offer.

Whether you're looking forward to a scenic autumn outing, a festive holiday adventure, or simply spending time with great friends, there's always something to look forward to. We have a wonderful lineup of trips coming up.

We start off with our Splendor of Ireland trip in mid-October.

Continued...

For this trip, we are trading in the bus wheels for airplane wings. I can't wait for this trip of a lifetime! After arriving back home, we will head to the Fireside to see Come From Away. This is one musical you don't want to miss.

Our last event of October will be a Trick or Trust luncheon, where we'll share valuable information to help protect you before something happens. Please come and enjoy lunch while learning about the most recent fraud happening in our community.

Don't worry, friends, I will not be skipping Thanksgiving, even if we have two back-to-back Christmas trips! In November, we will head to Spring Green to see a fully decorated House on the Rock. Thousands of Christmas decorations will put us in the holiday spirit before we enjoy an afternoon matinee of Christmas in the Dells at the Legacy Dinner Theater.

In December, we will head to Illinois to do something a little different at the Sanfilippo mansion, where we will enjoy a Christmas lunch and Wurlitzer concert in their home theater. We will also explore the house and its many collections.

So grab your favorite sweater, dig out those mittens, and bring along your sense of adventure. After all, age is just a number, but a good travel story is forever!

Here's to colorful leaves, snowy adventures, warm friendships, lots of laughter, and making the most of every season together.

Let the fall and winter fun begin! And as Dolly Parton said so well, "If you see someone without a smile today, give 'em yours."
