Hello All and Happy New Year!

I hope you all had a great holiday season! 2022 was such a memorable year and we made some great memories together!

We have some great trips in store for you this year and I can't wait to share them with you. Let's discover some new places and meet some new friends along the way!

Here's a little recap of last year and a few of the adventures we experienced together:

- Experienced candle and diffuser making at The Candle Mercantile in Lake Geneva.
- Explored a glass fusion class at Creative Spaces in Waterford.
- Visited Farm Wisconsin where we saw the birth of a calf, learned how to tap maple sugar, and took a tour of the USS Cobia Submarine.
- Dressed up in our fashionable wigs and laughed until we cried at Church Basement Ladies at the Fireside.
- Took a ride on a Wisconsin Duck in the Dells and visited a lavender farm. We also visited the Wisconsin Opry and took a trip to the casino.
- Visited Pearce's Farmstand, had a delicious apple cider donut, and enjoyed a salsa demo. We then boarded a boat in Lake Geneva for a lunch cruise while listening to Frank and Frankie. We ended that day with some wine and cheese at the Bottle Shop.
- Next was the Mystery trip! It was a fun filled day from start to finish. We made a Christmas swag at Treetime, then stocked up on chocolate at Long Grove Confectionary, made our very own sock monkey, and ended the trip touring the Gold Pyramid.
- Our final trip was at The Fireside to see White Christmas. It was our first heavy snowfall in 2022, which made for a scenic drive.
- We also had several Cards and Coffee events, which were so much fun! I plan to continue these in 2023! Please join us!

A Message from Jenny Continued...

I love to recap the year because I can remember something from each and every trip that makes me smile! I'm looking forward to all of the new adventures that this year will bring! A few of my upcoming trips include a basket making class, touring some local "castles", and enjoying a few shows, which include Cirque de Soleil! I'm also excited for a Christmas trip I'm planning to Branson, Missouri! This newsletter is packed with fun upcoming events!

Just a heads up! We will be asking each Harvest Club Member that attends trips, to fill out an additional form. This will be presented to members on an annual basis and will help our team keep up-to-date records for each member in the case of an emergency. Members will be asked to fill out the form following online registration, or we will provide it to you on your next trip. Also, we will be switching the service we are using for event sign-ups. It will still be simple, but be aware it may look a little different. If you have any questions, please let me know.

I hope to see you on one of our upcoming trips! Until then, may you all be blessed with good health and happiness!
