A Message from Jenny...

Jennifer Braun
Harvest Club Director

As I sit here and write my newsletter, I'm struggling with the amount of uncertainties we're facing at this time. Never in my life have I seen anything like this. As the United States starts opening up again, we'll begin to experience a new normal.

I want to let each of you know that I have been thinking about you daily and I am here for you. I also want to assure you that the show will go on!

I have enjoyed the past few weeks spending time with my kids, cooking up some new recipes and caring for our new puppy, North! Yes, my kids convinced us to get a puppy. It has been the perfect amount of joy that our family needs to get through these long days. I think everyone needs a little bit of joy right now.

I hope this letter brings you some normalcy and a glimpse of what's to come. This will be a learning experience for all of us and I will do my best to ensure that we experience some new trips together safely. We have the power to make the best out of our days. If we take extra precaution and follow social distancing, we'll be back up and traveling again soon. So with that, let's chat about the future!

I'm very happy to announce that our CSB bank lobbies have opened as of May 26th. We have put some safety guidelines in place, such as recommended mask wearing and additional sanitizing stations. We have also changed our bank hours to help minimize the amount of face-to-face interaction. Please visit our new website CSB.bank for a full list of updated hours and information. More information regarding our newly updated website can also be found inside of this newsletter!

A Message from Jenny Continued...

In regards to upcoming Harvest Club opportunities, we'll be starting off the summer from the comfort of our kitchens. I'm happy to announce that we will be creating our very first Harvest Club Cookbook! I am asking for all of you bakers and cooks to send me your best recipes! More details can be found on the back of this newsletter.

This fall we'll finally be able to enjoy our first Harvest Club Trip since January. Many of these details are tentative. Because of that, we've decided to adjust our payment structure. In order to simplify the payment process, we are asking registrants to continue paying in advance for all regular day trips. We will not cash your check until the day of the event. I think this is the simplest way to prepare for trip arrangements in the case of cancellations.

In September we're going to travel to The Theater at the Center in Munster, Indiana for a production of the very popular "Hello, Dolly!". On our trip we'll stop at a bakery for breakfast and then we'll hit the road. When signing up for this event please make sure to choose your lunch option. We have a choice of boneless pork chops or roasted herb chicken breast... both sound delicious.

For October we'll be going on a two-night getaway to visit the Amish Country of Indiana. Mark your calendars for Sunday, October 11th through Tuesday, October 13th. We'll enjoy some sightseeing, Amish food and dessert samples. We'll also be invited into their homes and learn the history behind the Amish way of life. For this trip we'll be lodging at Four Points by Sheraton in Elkhart. Sign-up today for your early registration discount!

As I stated earlier, this will be a new experience for many of us. I am going to try my very best to make sure we have safe and fun trips. If you have any questions or concerns, I am here to help. The best way to reach me is by email or by leaving me a voicemail and I'll call you back. Please don't hesitate to reach out to me.

I must say I have enjoyed the extra time with my kids, but certainly miss each of you. As most of you know, I am a very social person and can't wait to see you all soon. Until then, remember to keep smiling and dreaming about our days of travel and fun trips ahead.

See you soon,

Jennifer Braun
