### A Message from Jenny...

**Jennifer Braun**  
Harvest Club Director

I hope this letter finds you all enjoying the last bit of summer. Fall is right around the corner, and it is my favorite time of year!

Are you enjoying tons of goodies from your garden? What is your favorite thing to make from your fresh garden vegetables? Some of my fondest memories growing up were gathering vegetables from grandma and grandpa's home and making meals with them. My grandma made the most delicious cucumber salad and my grandpa's string bean soup was amazing. Do any of you have certain meals that take

you back in time when you eat or smell them? Enough talk about food because it's making me hungry.

I have some news to share with all of you! We have some great trips planned for fall! I'm so excited to start traveling with you again. It feels like forever ago. So here they are...

Our first trip is going to be in September at Starved Rock State Park in Illinois. This tour begins with lunch in the historical Starved Rock Lodge. You'll get to discover the state park by land in a trolley and then by water on a pontoon. There will be so many beautiful views and fall leaves for us to see! Minimal walking is required. Hopefully it will be a cool and sunny autumn day!

Our next trip will be a mystery trip in October. This fall I'll be celebrating 5 years at the bank and most of you trust me by now, so I decided it was time to take you all on a mystery adventure. We're going to spend the day exploring! There might be some shopping and of course food!

The only thing you'll need to know before our trip is what meal option you prefer. So when signing up make sure you make your meal selection then. I promise it will be something we all need after a year of no travel.

Continued inside, page 2.

## A Message from Jenny Continued...

Early November we'll set out for a two night stay in Northern Indiana Amish Country, on an early country Christmas tour. The holiday season is a joyous time filled with food, fun and festive traditions! Escape your hectic schedule and step into a slower lifestyle where you'll breathe in the holiday aromas of fresh baked pies, cookies and pine trees. We'll also have the opportunity to visit a few Amish businesses and experience some holiday performances.

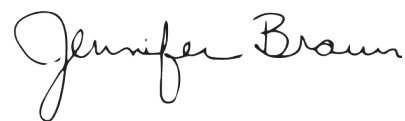

Last but not least, for our December trip we'll enjoy Irving Berlin's Holiday Inn at The Fireside Theatre. The food at The Fireside is absolutely delicious and the theatre performances never disappoint. We'll start the morning off at Jones Market so make sure to bring some extra money if you'd like to grab some breakfast sausage for Christmas morning.

I'm sure some of you are wondering about the mask policies for our upcoming trips. I would like to ask each of you to please bring a mask or two with you on every trip. As CDC regulations are consistently changing and policies change from business to business, I would prefer that we are all prepared. Other than business and state regulations, I will leave it up to each of you to do what you are most comfortable with. Most importantly, if you are feeling sick or have fever, please stay home. I'll do my very best with reimbursing any costs. If any cancellations, please make sure to notify me as soon as possible.

So are you excited for what's to come? I sure am and I cannot wait to make more memories with each of you. If you have any questions or concerns, please don't hesitate to reach out to me at any time. I'm happy to help!

Remember that each day is another opportunity to find something that brings us true joy. I'm hopeful that we all have brighter days ahead of us.

See you soon,

### Q&A | Should I Bring a Mask on Trips?

As CDC regulations are evolving and policies change from business to business, we ask that you please come prepared with a mask for every trip. Most importantly, if you are feeling sick or have fever, please stay home.
