## A Bank & Club Just for You!

Let's Catch a Show Together & Feast on Popcorn!

**Jennifer Braun**  
Kids Klub Director

Hello Kids Klub Members,

Winter is almost over...which means summer should be here soon enough! Did you know that Community State Bank is 125 years old this year? A 125 year old anniversary is called a QUASQUICENTENNIAL. Try saying that 5 times in a row!

With CSB celebrating 125 years, I think it's a perfect time to do a movie night on the bank! Who wants to go to a free show and enjoy some delicious popcorn? Well you are all in luck! On April 20th at 5:30pm CSB has reserved the Burlington Plaza 4 theater just for you and your family! Super Mario Bros Movie will be on the big screen and will be free to all Kids Klub Members. Make sure you see the details listed on the back page and register online so you

don't miss out on the fun! Registration is required, as space is limited. We do ask that this event only be attended by Kids Klub Members and their immediate family members.

For the last two years we've had an end of the school year ice cream social. In a little over three months, school will be out! Holy cow! This school year went fast and what better to celebrate Dairy Month than with an ice cream party! **On Thursday, June 8th from 3 PM until 5 PM stop on over at Community State Bank in Union Grove for a free Root beer Float!** Event will happen, rain or shine! We hope you'll join us to kick-off summer vacation!

Last on our event calendar is our CSB Pumpkin Patch! This is one of our annual favorites! Over 200 pumpkins are placed on CSB's property for you to take home for free! It's our way of saying "thank you" for choosing us as your community bank. More details for that event will be posted on CSB's Facebook page. We'll also make sure to send you a reminder email! Stay tuned!

It looks like 2023 is going to be filled with a lot of fun! We hope you'll join us for one or more of our upcoming events! We'll see you all soon!

When Can My Child Get a CSB Debit Card?

Neil Buchanan
SVP | Business Banker

Hey Parents,

How much money have your kiddos saved up in their Kids Klub Savings over the years? \$100? \$1000? The Kids Klub Savings was designed to help teach your kids how to start saving. There comes a point when it's time to start learning about spending habits and budgeting too.

Did you know that at the age of 13, parents can open up a joint checking account with their child? This account is designed to teach kids how to make smart financial decisions with boundaries.

You'll still able to monitor your child's transactions, however your child can now obtain a debit card with your permission. This card can be controlled through the CSB Simple Banking app by you or the child. You can set spending limits or manage the card on the go! It's an opportunity to learn and still save!

Is your child turning 13 soon? Reach out to our CSB Banking Team to discuss the next steps and options! If a CSB Simple Checking Account isn't the right step for your child, we also have a CSB Simple Savings Account that they can transition into until the timing is right. As always, thank you for choosing Community State Bank! We appreciate being your family's banking team!
